A Gift that's Priceless -- With a Big Red Bow

You are invited to join our team for a Computed Tomography (CT) Scanner Milestone Event. The "Delivery of the New CT Scanner Celebration" starts Thursday, December 21st, at 10:30 am with the delivery of a new CT Scanner to the Stratford General Hospital site of the Huron Perth Healthcare Alliance. A short welcome ceremony will be held in the June Blanch Lobby as the CT will be delivered through the lobby, and pause in the Lobby briefly for the celebration. Almost \$900,000 has been donated by generous donors towards the \$1.3 million CT goal. Donations are still coming in from the Christmas mailings and CT Matching Gift initiative. There is no government funding for the CT Scanner. A reception will include Holiday treats and hot cider.
