SGH Foundation Celebrates 39th Anniversary!

On August 5th 2022, We PROUDLY celebrated our 39th anniversary with staff and Board Members. It is truly remarkable how many ways we've been able to support our hospital over the years because of donors and colleagues like YOU!

It'll be wonderful to celebrate our milestone 40th anniversary next year with guests.

Incorporated in 1983, the Foundation is governed by a volunteer board of directors. The Foundation, through the support of our community, has raised millions of dollars to purchase equipment and enhance facilities at Stratford General, touching the lives of countless patients and their families.

We can never say thank you enough for your support!
