

STRATFORD GENERAL HOSPITAL FOUNDATION
is committed to donors'
HOPES & DREAMS

The Stratford General Hospital Foundation works with the community and donors throughout the region to raise funds for the Stratford General Hospital site of the Huron Perth Healthcare Alliance.

Governed by a volunteer board of directors, the Foundation is committed to the highest standards in philanthropy, accountability and donor relations. The SGH Foundation was one of the first 100 Canadian Charities listed as an Imagine Canada "code builder" – meeting a rigorous Ethical Fundraising & Financial Accountability code. Organizations meeting these standards are entitled to use the "trustmark" below.

Through partnership with our donors, the SGH Foundation has helped raise millions of dollars towards our hospital's vital equipment and facility needs, thereby enhancing its well-earned reputation for top-notch care. This includes the Heart & Soul redevelopment project and MRI. But we're also committed to helping our donors fulfill their own hopes and dreams – turning the love and generosity they have in their hearts into something tangible – and to recognizing the indispensable role donors play in building a stronger, healthier future for us all.

**We invite you to
help us keep the Promise.**

HELP KEEP THE PROMISE

Monthly Giving

Our monthly giving program allows you to make a donation through monthly payments. It saves envelopes and postage while maximizing your generosity. You can change the amount or cancel at any time by notifying the Stratford General Hospital Foundation. Many people like this method of showing their support for the hospital since it is an easy way to make an even more significant impact.

Tribute Giving

What a wonderful way to say thank you to a doctor, nurse, volunteer or staff member who made a difference in your care or the care of a loved one.

Would you like to celebrate one of life's special occasions such as an anniversary, Bar/Bat Mitzvah, birthday, holiday, new baby, retirement, wedding or simply say thank you?

Make a donation to honour or remember a loved one or to celebrate an occasion. No gift will make the receiver feel as good or have as much impact on the health of our community.

Give online or start your own fundraising page.

For details visit our website at

PROMISES MADE, PROMISES KEPT

HELP KEEP THE PROMISE...

If your hospital could make you a promise...

You'd ask to be treated with warmth, compassion and respect. You'd want your care to be safe and effective, and delivered by professionals who see you as a person, not just a patient.

But there's more to living up to a promise of exceptional care isn't there? If you're like most people, you'd also want your doctors, nurses and other caregivers to have the very best equipment, state-of-the-art technology and finest facilities available.

Only through the generosity and support of our donors – people just like you – can we live up to that promise; not only providing you with the kind, compassionate care you expect, but ensuring the finest tools and technology are always at the fingertips of our caregivers.

Your donation counts! Our healthcare team has one main focus – YOU – and your care. Each and every day our health care team touches the lives of people and their families with their compassion, skill and expertise. Every gift you give impacts the care we are able to provide. Your support purchases essential medical equipment – equipment we can't afford to be without. Please help us keep the promise.

State-of-the-art equipment for:

- Even better patient care
- Retention & recruitment of physicians and other healthcare professionals
- Reduction of wait times
- An increase in surgeries (hip, knee, cancer)
- Quicker diagnostic results

Your Donation COUNTS! Your Gift = Medical Equipment

100% of all medical equipment must be raised locally.

You can help give our doctors, nurses and staff the tools they need to care for those who walk through our doors. From wheelchairs to pain pumps from surgical equipment to cardiac monitors, x-ray machines, scopes and a faxitron – our equipment pieces range from \$300 - \$750,000 each.

HELP us Keep the PROMISE

Make a gift by simply filling in this form, detaching and mailing it back to us at the Stratford General Hospital Foundation.

If you would prefer to make your donation online, visit us at www.sghfoundation.org
